

Lincolnshire Track and Field League 1999

A score is 0 (zero), or is blank , if :

- (a) the athlete is the 3rd or 4th club member in that event (score 0);
- (b) the athlete has entered too many events [maximum 3 + relay for U13-U17, 5 events for U20] or U13/15 Girl has run both 800m and 1500m (blank score);
- If blanked, the event(s) may not necessarily be the last or weakest event(s) entered by the athlete.
- (c) the team is disqualified by the referee in a relay or has mixed ages in an U13-U20 team.

A result will not be displayed if :

- (a) the athlete is disqualified by the track or field referee;
- (b) there are irregularities on the declaration sheet such as duplicate numbers being issued or that the athlete has not been declared.

Points are shared when times are equal in heats or where field events remain tied on count-back rules.

Reminder : Athletes may only compete in their own age groups; U13s cannot take part in U15 events.
