

Lincolnshire Track and Field League 1999

A score is 0 (zero), or is blank , if :

- (a) the athlete is the 3rd or 4th club member in that event (score 0);
(b) the athlete has entered too many events [maximum 3 + relay for U13-U17, 5 events for U20]
or U13/15 Girl has run both 800m and 1500m (blank score);
If blanked, the event(s) may not necessarily be the last or weakest event(s) entered by the athlete.
(c) the team is disqualified by the referee in a relay or has mixed ages in an U13-U20 team.

A result will not be displayed if :

- (a) the athlete is disqualified by the track or field referee;
(b) there are irregularities on the declaration sheet such as duplicate numbers being issued or that the athlete has not been declared.

Points are shared when times are equal in heats or where field events remain tied on count-back rules.

In the final column of each entry, 100% = the Athletics Weekly standard for that age group.

Notes

1) "Proper" veteran categories will be introduced into next year's results - the declaration sheets will ask for veteran 5-year bands eg. Mv45, etc.

2) Some clubs still ignore the permitted number of athletes per event, making field events longer than necessary (3 maximum, 2 to score).

3) Next year, scores will be divided into 4 categories - boys, girls (U13/15/17) and men, women (U20/15/V).

It is hoped that 4 trophies will be available to be awarded to the winners of each category.

Tony.
