The races start and finish on the Town Meadows in the centre of Stamford. Parking is at the Cattlemarket car park PE9 2ZB (W3W dragon.ruby.open). The car parking is free on Sundays and has over 400 spaces. From there it is less than 400m to the start line. The course is run mainly on a grass and mud flat river plain. There is one wooden bridge, and one concrete bridge and, on the U20 and Senior courses two short sections of tarmac. The course will be marshalled and colour coded signs will show the way.
